- The Showcall Crew Boss and/or Manager should always be contacted to report an Incident, first aid and/or to arrange event accreditation or access.
- All Showcall workers are required to undergo an induction before work and follow any instructions and guidelines.
- A hazard is anything that can cause harm to workers or the public.
- If I need to weld, cut or grind at a venue, I need to speak with my Crew Boss or Manager first and make sure a HOT WORK PERMIT has been issued by the Venue.
- Consultation with my employer, the venue and other workers about health and safety is an excellent way to discuss and share safety ideas.
- One of the best ways to improve safety is to keep all work areas and tools clean and tidy.
- All electrical equipment and tools must be tested and tagged or they will not be permitted to be taken on events.
- All work should be done in accordance with Showcall - Safe Work Methods and subject to risk assessment
- I am required to wear the PPE directed by Showcall including - safety boots, safety vests and hard hats.
- Work, health and safety is everyone's responsibility.
